PHARMASAVE[®] Influenza Vaccination Patient Screening and Consent

- My pharmacist has reviewed with me the benefits, side effects, risks (including risks of not receiving vaccine) associated with the influenza vaccine being administered today.
- I have had the opportunity to have my questions answered.
- I/my dependent, agree to remain at the pharmacy for at least 15-30 minutes following administration of the medications/ vaccine or as directed by the pharmacist. (Egg allergy requires 30 minutes.)
- I authorize my pharmacist to administer epinephrine and/or life-saving procedures in the event of a severe allergic reaction and to notify my emergency contact person.
- I authorize my pharmacist to notify my physician/nurse practitioner and/or public health of the vaccine received and to contact me with any follow-up if needed.

I consent to receive the influenza vaccine today

I consent for my child/dependent to receive the influenza vaccine today
