

Due to high demand and limited supply of the vaccine, it is possible Pharmasave locations may be out of stock. Rest assured, we understand the importance and are working hard to accommodate as many people as possible within our capacity. We recommend you continue signing up to a store's notification list (if available) to receive any updates. Once they have supply, and you meet the eligibility criteria set by the Ontario Government, you will be sent a private link to book an appointment. Thank you for your patience and understanding.

Due to high demand and limited supply of the vaccine, it is possible Pharmasave locations may be out of stock. Rest assured, we understand the importance and are working hard to accommodate as many people as possible within our capacity. We recommend you continue signing up to a store's notification list (if available) to receive any updates. Once they have supply, and you meet the eligibility criteria set by the Ontario Government, you will be sent a private link to book an appointment. Thank you for your patience and understanding.
